## Child Abuse Prevention Month News

This is the third edition of a series of e-newsletters we send throughout April that highlight tools and resources available for Child Abuse Prevention (CAP) Month. You can view the first two newsletters at [kcsl.org](http://kcsl.org).

Our online [toolkit](#) includes a family activity calendar, pinwheel coloring sheets, social media messaging and much more! Join us on KCSL's [Facebook](#) and [Twitter](#) for updates throughout the month.

There is still time to purchase CAP Month materials. Pinwheels are available for \$1 each (bulk pricing for 500+) and yard signs for \$6.50 each or FREE with a purchase of 100+ pinwheels. To order, contact Kim Osborne at [resourcelibrary@kcsl.org](mailto:resourcelibrary@kcsl.org).
