

MAY 2017

Thank You for Participating in CAP Month

This is the final edition of a series of e-newsletters we send for Child Abuse Prevention (CAP) Month. You can view the previous three newsletters at kcsl.org.

Pinwheels for
PREVENTION

Prevent Child Abuse
Kansas

As the Kansas chapter for Prevent Child Abuse America, we appreciate all the awareness efforts made statewide in April for CAP Month and thank everyone who participated. If you hosted an event this year, let us know by emailing [Pam Noble](mailto:Pam.Noble@kcsl.org) so we can include it in a report sent to Prevent Child Abuse America. Remember to follow us on KCSL's [Facebook](#) and [Twitter](#) to see Prevent Child Abuse Kansas updates, news and more!

KCSL offers a variety of materials year-round like our free online [Parent Tip Cards](#). These tip cards and other items are also available to order through KCSL's Community Resource Library by filling out this [form](#) or contacting Kim Osborne at resourcelibrary@kcsl.org.

Free Parent Helpline

Kids don't come with instructions. KCSL's statewide Parent Helpline 1-800-CHILDREN is a free, anonymous information and referral service that can help. We can connect you to services in your community, provide you with helpful information or just be a friendly ear. Call 24/7 at 1-800-CHILDREN, text or email at 1800children@kcsl.org.

Annual Governor's Conference

The 41st Annual Governor's Conference for the Prevention of Child Abuse and Neglect will be Nov. 1-3 at the Capitol Plaza Hotel in Topeka. We are still accepting workshop proposals. If you are interested in presenting at the conference, contact [Pam Noble](mailto:Pam.Noble@kcsl.org). Registration will open in August. Watch for future emails with additional information.

Let Us Know What You Think

We want your feedback about this year's CAP Month campaign. Please take a moment to complete our survey [HERE](#). Feel free to provide comments on how we can help with the 2018 campaign.
