## 2016 Child Abuse Prevention Month Campaign

### Greetings!

April is almost here! Flowers are starting to pop up in the gardens and it's time to plant those Pinwheels! Nationally, April is designated as Child Abuse Prevention (CAP) Month and we are diligently preparing for this year's campaign. Great plans are already in the works.

Order your pinwheels, bookmarks and other [CAP materials](#) early! This is our 40th anniversary of the Prevent Child Abuse Kansas Chapter. Kansas was the first state to become a local chapter. In celebration, we have designed a 40th anniversary kit. The kit includes 40 pinwheels, a yard sign, 10 wrist bands, 1 lapel pin, bookmarks, magnets and posters for \$40. This year we would love to see pictures of pinwheels in iconic places. Kansas is more than just a 'flyover' state. There are beautiful blue skies, vast open fields, crops, the Flint Hills, local iconic treasures (ie: hand dug well, yellow brick road, etc). Capture those pictures on social media with #Pinwheel.

A Child Abuse Prevention month campaign webinar was held on February 25th. If you missed it we have loaded it on our [KCSL100 Youtube](#) page with other great webinars and videos we have done. Check it out! The webinar walked through the [CAP toolkit](#), resources and materials that Kansas Children's Service League has created to share with partners to support their CAP events. In addition, we will be holding a Child Abuse and Neglect Recognition and Reporting webinar this Wednesday, March 16th. [Register now!](#)

Did you know that Kansas Children's Service League has Face to Face Child Abuse and Neglect Mandated Reporting trainings? These trainings are great for groups of professionals to remind them of the forms of abuse/ neglect and how to report. To schedule a training, or for more information, contact [Rachelle Rake](#).

We are very excited about the 2016 campaign. We look forward to working with all of you to support your local activities. More key information about this year's campaign will be coming soon!

Sincerely,

Kansas Childrens Service League
