## CHILD ABUSE PREVENTION MONTH

*Celebrating 40 Years*

Thank you to everyone that participated in Child Abuse Prevention month this year. The awareness efforts around the state are amazing. If you hosted an event this year please be sure to submit it through the [Activity Report Form](#). All of the events and activities in April are compiled and sent to the national level. This helps bring awareness to the fantastic programs in Kansas. If you have any questions about this please contact [Pam Noble](#).

We would love to hear your feedback about this year's campaign. Please take a brief minute to complete the [survey](#). Please feel free to provide comments on how we can help with next year's campaign.
