HEAD START

Hi, I'm Daniel! At the Kansas Children's Service League (KCSL), they believe every child deserves a chance for a better life. And that's why my parents enrolled me in *Head Start*. They knew to ensure the best for my future, I would need the right skills and attitudes necessary for success in school and life.

That's me!

At my center, my friends and I participate in learning activities in a classroom environment.

COGNITIVE:
think & reason

$$2 + 2 = 4$$

$$3 - 2 = 1$$

SOCIAL EMOTIONAL:
engage successfully with peers

Fun, educational activities that I learn from hands-on examples and experiments link concepts to our lives and make learning activities more meaningful.

PHYSICAL:
health, nutritional services
